

# SEALS

## CAMPAIGN PLEDGE

**I am appalled by the fact that the Canadian seal slaughter continues and is worse than ever. I am pleased to join Respect for Animals in its campaign to end Canada's commercial seal hunt - the largest and most brutal slaughter of marine mammals on Earth.**

Over the last three years nearly 1 million seal pups have been clubbed and shot to death off Canada's East Coast.

As a result, Respect for Animals is reluctantly calling for a boycott of Canadian fish and seafood products and Canada as a tourist destination.

In support of this campaign, **I PLEDGE NOT TO BUY CANADIAN FISH OR SEAFOOD OR TO VISIT CANADA UNTIL THIS BARBARIC SEAL HUNT IS BROUGHT TO AN END.**
